Pricing

All For Mary™ Bridal Styling packages start at \$700. This allows you to have your own personal stylist for up to 6 hours. The price for one stylist will only increase if there is more than 6 styles or if the travel is more than 20 kilometres from our Yeronga salon. Hiring two stylists for the day starts from \$1200, covering up to 5 hours of their time each. The two-stylist package may be required to cater to the complexity of the chosen styles, the number of people being styled or various time restraints.

Travel

We are happy to travel to you on the day and even think this is the better choice! The morning should be spent with your loved ones in a calm environment, not travelling to and from the salon getting ready in amongst the Marys in our salon that day. Travel is an additional cost only when the location is further than 20kms from the salon. Depending on distance the fee would be an additional \$50-\$100.

Small Wedding Parties

If you are having a small wedding party that doesn't feel like it makes the most of hiring us for the day or if you would just prefer to get ready in the salon we are more than happy to look after you there. The price for these services can be found [here](#). If your wedding party is small but you still like the idea of us coming to you there is the option to make the most of our package by having the groom and groomsmen styled or additional close guests.

Trials

Trials are a necessity to book us, if for nothing else for your own peace of mind. While we know we can create a gorgeous wedding style for anyone we meet, we want YOU to be confident with your choice. It is also vital that we see your hair and have a play before the big day in case anything extra may be necessary. For example, adding extensions to your hair is sometimes the necessary step to creating your dream look; we won't know they are needed if we haven't yet met you. Trials are done at the *All For Mary™* salon. The prices can be found [here](#). We will phone to arrange your trial with you after receiving your booking form.

Deposit

When you're happy with your hair from the trial, we will confirm all of your wedding day details and arrange a deposit invoice for you. If paying on the day of the trial does not suit, we will hold your tentative wedding day booking for 2 weeks before making the day available for bookings again. If it will take longer than 2 weeks to arrange your deposit you are welcome to do that, we simply cannot promise the day will still be available.

Your deposit invoice will be for 50% of the total cost of your wedding day package. Please be aware that deposits are non refundable or transferable. Once your deposit has been arranged the price will not change, even if someone drops out. For us to secure this day for you we will be turning away other clients to do so, therefore once we have accepted your booking no changes can be made.

On THE day

We just need a well-lit space with a table or bench, room to move and a power point nearby. We'll always turn up with extension cords and a power board, so there are no set-up dramas. After that, we'll have everything covered while you relax and enjoy!

Images

Because everyone is going to look fabulous on the morning of your wedding, your *All For Mary™* stylist will be keen to snap some photos. Booking with us indicates that you are happy for these to be posted onto our social media. Feel free to ask to take a look before any get posted, though the reality is they'll be amazing. When you look good, we look good!

We know that the biggest surprise of the day is the stunning Bride so know that we will not be giving your secret away. Any pictures taken of you will only be posted the day *after* the wedding.

While our images will be great, the professional images will be stunning! We would love it if we can show you off to our clients by posting your professional images on our social media and website, after you've had the chance to show them off to your loved ones first of course! If you and your photographer are happy for us to use the images, please forward the files to bridalstyling@allformary.com.

We will always credit the photographer so they are more than welcome to leave their watermark on each image. Please also send through the details of your makeup artist with the email so we can credit their gorgeous work too.
