### TERMS AND CONDITIONS

I understand that signing up for this package requires a minimum of 6 weeks of payments. I understand that these payments I am signing up for will continually be made weekly unless I cancel the package. I understand that to cancel the package I must email [intheclub@allformary.com](mailto:intheclub@allformary.com). I understand it is required to pay out any outstanding services already used at the time of canceling the package and agree to do so. I understand that rising economic costs or an increase in my hair length is the only reasons my package price will increase, and that when this occurs I will be notified in person and given the option to continue or cancel. I understand that if I have chosen to make the annual payment upfront that this is a non refundable payment, but that I can transfer my membership over to another person if necessary. I understand that if I do not give 24hrs notice to cancel or move an appointment that I will be charged a fee as per the All For Mary™ Booking T's and C's.

I, \_\_\_\_\_, agree to the terms and conditions outlined above and accept the payments to start on \_\_\_\_\_ (Date)
